

Good Investment

I own an original, in good condition, of the *Three Penny Opera* Poster that is shown on 1023 and below.

I bought the poster for probably about \$5 in 1976 during my years in New York. The poster is now available for sale for \$650 through *The New York Times* store (nytstore.com 888-669-2708).

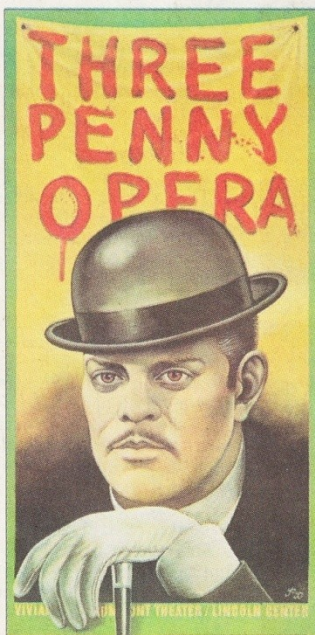

I will hold on to the poster, of which I was very fond in 1976 and of which I am still very fond. The poster is with a lot of other posters that I have, in a roll in a black plastic bag, in the closet off my bedroom/study at the top of the stairs at home.
